

Jack Strong's management provides a "Show Plan" to every venue, even before we are booked, reflecting our understanding of what is expected based on our initial discussions with the talent buyer. The purpose of this show plan is to support a "no surprises" experience for both the venue and the band.

A successful show is the product of delivering many independent factors perfectly. Our Show Plan covers Show Promotion, Show Production, and Day Of Show Details in detail to make sure things run smoothly. Our objectives are always 1) put on the best possible show for your patrons and 2) be your favorite band with which to work.

Please discuss your expectations with our management, Gregg Oliver, by phone @ 760-705-4098 (text or voice) or via email at WeAreJackStrong@gmail.com.
